

# Weehawken Dance Dress Code

## Spring 2012

Uniforms put students in the correct state of mind to be able to focus and move properly as well as giving teachers the chance to see their bodies and give corrections as needed to create the best dancers possible free of bad habits and technique. Swimmers don't wear karate uniforms and fencers don't wear bathing suits.

## **Ballet:**

\* All ballet students must wear a leotard and tights (footed tights are generally available and in-stock with Weehawken. They are \$6 for children and \$7 for adults. Classic pink tights will be needed for performance.

Specialty tights are also available for order -- see the website for details).

\* Hair must be in a bun. Dancers with short hair must wear their hair back or in a headband.

\* No bulky jewelry.

\* Acceptable Ballet Clothing additions: Knit shorts, leg warmers, ballet skirt, tutu (pre-ballet only).

\* Unacceptable Clothing for Ballet Class: Anything baggy, flair-leg pants, jeans.

\* Men: Dance shirt and Dance pants or tights.

\* All Primary (Kindergarten and first grade) Ballet Students must wear a ballet skirt to every class every week. Part of their curriculum includes learning how to properly dance with a skirt. This needs to be a ballet appropriate skirt. If you need guidance, just contact us. We can order one for you.

\* When purchasing ballet shoes, we advise you to buy them from us or a website you trust. The "ballet slippers" from target or Wal-Mart are not real ballet shoes and cause the dancers to trip and fall.

\* We can order shoes, tights, and leotards for you in your size. If you want to make a dancewear purchase through Weehawken/Revolution

Dance Shoes: Have your dancer's foot sized by your student's teacher or preferably, Ashley King in her Ridgway office during regular business hours. We have sizing kits in tap, jazz, and ballet shoes.

The sizing for dance shoes is very different than street shoes, and we cannot order your shoes without first sizing their feet. Shoes and leotards are NOT returnable/refundable.

Fill out a dancewear order form and give it to your teacher, or, e-mail Ashley King your info at: [Ashley@weehawkenarts.org](mailto:Ashley@weehawkenarts.org)

### Additional Policies for Level 3 and 4 Ballet Students:

- \* Pointe students missing 3 or more classes (not made up) will not be able to dance on pointe in any Weehawken classes until the following semester
- \* Students must maintain at least 2 ballet technique classes per week in addition to pointe classes. Pointe can be very dangerous to students not maintaining proper technique, strength, and coordination. No exceptions.
- \* Students not maintaining proper conditioning for pointe will be asked to not participate. It's up to you to show up to class ready to dance and to continue to recondition at home.
- \* If you are injured, you need to take a break from pointe. Students not dancing the previous semester will need to be evaluated before returning to pointe class.

## **Other Information:**

- \* Please send your dancer with a water bottle. We do not have cups. In addition, please take a little time to label your student's water bottle and dancewear. It would amaze you if you saw the large number of water bottles and clothing items that get donated to Second Chance at the conclusion of each semester, simply because items are not labeled! If it's labeled, we know who to give it back to.....
- \* Make your check payable to Weehawken Creative Arts. We cannot order dancewear for you without first receiving a payment.
- \* Dancewear takes 5-7 business days to arrive from the order date and we generally try to only place orders when we have 6 or more items in an order.
